INLINE 3000S

FOOD CABINETS

CONTROLLED AMBIENT | HEATED | REFRIGERATED
600mm | 900mm | 1200mm

Created as a medium duty solution for café, kiosk and c-store, these cabinets provide a plug and go solution that allows 60 door openings per hour while maintaining core product temperatures. Packaged with the same key benefits of the FPG product range, you use less energy while still maintaining food safety. The Inline 3000 construction allows for smart counter integration options of either a recessed, countertop mounting or freestanding display.

LEFT : 3000 SERIES HEATED 1200mm SQUARE FREESTANDING, WITH FIXED FRONT, WITH OPTIONAL BASE DECK TRAY
RIGHT : 3000 SERIES REFRIGERATED 1200mm SQUARE COUNTERTOP, WITH FIXED FRONT, WITH INTEGRAL CONDENSING UNIT

INCREASE YOUR PROFITS

REAL WORLD TESTING
Relax knowing your cabinet will maintain core product temperatures during busy periods, throughout the day.

MOISTURE LOCK
Shelf life can be doubled with ultra high humidity levels inside the display.

SOFT AIR
Product freshness and life is extended due to smooth and gentle air flow.

EASY CLEAN
Reduce maintenance costs and spend less time cleaning, with easy to remove components.

LONG LIFE LEDs
FPG designed superbright, longlife 50,000 hour LEDs, ensures your product looks at it's best and your energy costs are reduced.

LOWEST COST OF OWNERSHIP

UP TO 30% LESS ENERGY USED

DESIGN AND INNOVATION

ECO HEAT
Use up to 30% less energy and increase product life with gentle heating.

EC FANS
Minimise energy usage with high energy efficient fans.

COMPLIANCE TESTED
Peace of mind that your cabinet will perform seamlessly into the future.

FREE FLOW AIR TECHNOLOGY
Discharge and inlet air for refrigeration system is contained at the rear of the cabinet. No venting required to the customer side.

SUPER SLIM GLASS
Ultra slim ceramic masking to allow superior product visibility and a minimalistic cabinet look.
